

# **SWCDA Futurity payout as discussed and voted on by the SWCDA Board of Directors on 5/4/19.**

1.) There will be a payout per go-round and per average based on 10% of the number of dogs run. Example: If there are 30 dogs, 10% of 30 is 3 so we will pay three places. If there are 25 dogs, 10% of 25 is 2.5 rounded up to 3. If there are 24 dogs, 10% of 24 is 2.4 so we will pay 2 places.

So, for 25 to 30 dogs 3 places per go-round and 3 places for the average will be paid. 100% of all entry money will be paid out. All donated monies for the Futurity and Finals will be used to pay expenses with remaining monies to be added to Finals and futurity payouts at 50% for each.

2.) Rule change: Futurity age rule will now read; All dogs must be 30 months or younger on November 1st to be eligible for the futurity.

3.) Nursery age change:

Starting the new year after the finals in November, nursery birth date will change to; To be eligible for nursery, all dogs must be born on or before May 1st, three years prior to the SWCDA finals. (this will allow all dogs that are eligible for the SWCDA Futurity, eligible for the nursery class the following year).
